

IQAC

ABOUT IQAC:

The National Assessment and Accreditation Council (NAAC) proposes that all the accredited institutions must establish Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. The prime quality of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. IQAC, is to build and ensure a quality education and culture at the institutional level.

RNS First Grade College is a premier institution, whose hallmark has always been Quality and Excellence. In order to ensure quality within the existing system in the college, RNSFGC has established the Internal Quality Assurance Cell (IQAC) during the academic year 2021-22. The IQAC has since been an integral part of the college which works towards realizing the goals of quality enhancement by developing a system for conscious, consistent and catalytic improvement in different aspects of functioning of the college. It takes care of the overall developmental activities of the teaching and non-teaching staff, students and infrastructural facilities in the college. The IQAC plays an important role in maintaining the college campus healthy in all spheres. It ensures enhancement and coordination among various activities of the institution.

STRATEGIC PLANNING

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- The role of IQAC in our college is to maintain quality standards in teaching, learning, evaluation and research.
- Optimization and integration of modern methods of teaching and learning. Organizing workshops and seminars on quality related themes.
- The credibility of assessment and evaluation process.
- Facilitating the creation of a learning centric environment conducive to quality education
- Dissemination of information on various quality parameters to all stakeholders.
